## **World Fuel Services Welcomes Air 7**

**August 18, 2020 – HOUSTON** – Air 7 has joined the World Fuel Network and will take advantage of new products and programs at their facilities. World Fuel Services (World Fuel) will be supplying Air 7 at Camarillo Airport (KCMA).

Air 7's strategically located Camarillo facility serves Santa Barbara, Malibu, Santa Monica, Westlake Village, Los Angeles and the surrounding areas from KCMA. Air 7's world-class facilities include clean and secure hangar space that accommodates virtually any aircraft. Whether for business or pleasure, Air 7's facilities are an excellent choice. Air 7 provides industry recognized flight support services, including two 27,000 sq. ft. hangars, and comprehensive passenger and pilot support amenities for general, corporate and military aircraft operators. Those wishing to conduct business have at their disposal conference and media rooms, a spacious, fully appointed lobby and second-story vista-view balconies. Air 7's combination of access, superior catering options and open, fully appointed facilities are perfect for pilots, operators and aircraft owners.

**Cherie Hecker, COO of Air 7, stated,** "We have first-hand experience with World Fuel's customer service and support. It is well-known that World Fuel has a recognized and wide-reaching network of fuel and related services. We have used World Fuel with our own aircraft fleet, domestically and internationally, and these positive experiences directly translated to our decision to align Air 7 with them. We know how they treated us, so we know how they will treat our customers here in Camarillo and throughout the world."

**Steve Drzymalla, Senior VP for Business Aviation Bulk Fuel, World Fuel Services, stated,** "Air 7's success is directly related to their people. The Air 7 team is made up of a highly trained and skilled staff of trained professionals who go beyond their client's expectations. We are fortunate to have this quality FBO as a part of our network."

Air 7 will now be taking advantage of Total Aviation Software (TAS) with avPOS credit card processing. Pilots and flight departments will gain World Fuel Rewards when buying World Fuel Contract fuel and utilizing the AVCARD. With the help of TAS, Air 7 will enjoy fast-paced, cloud-based and paperless processing. With World Fuel Rewards, Air 7 will now have the opportunity to award customers reward points for their loyalty.
