World Fuel Services Expands Presence in Canada

December 14, 2020 – HOUSTON – World Fuel Services expanded its presence in Canada with the newest supplied FBO, Gateway Aviation Windsor, located at the Windsor International Airport (CYQG). As part of the World Fuel Network, operators flying into Gateway Aviation Windsor will benefit from World Fuel products and programs, including World Fuel Contract, AVCARD® by World Fuel, World Fuel Rewards and seamless card processing with avPOS.

Gateway Aviation Windsor is the perfect location for traveling in the northeast between Canada and the U.S., particularly the Detroit, Michigan area, with a supply of both Jet-A and 100LL is available. Gateway Aviation Windsor offers inviting, modern passenger and crew facilities, 20,000 square feet of heated hangar, luxurious conference room, roof terrace and type 4 de-icing availability.

Mike Hogan, general manager, Gateway Aviation Windsor: "From our modern facilities to our dedicated team members, customers can expect a first-rate experience when traveling through Gateway Aviation Windsor. We look forward to our new relationship with World Fuel Services."

Steve Drzymalla, senior vice president for business aviation bulk fuel, World Fuel Services, stated: "We welcome Gateway Aviation Windsor into the World Fuel Network family. Their operational expertise, dedicated customer service and world-class facilities create a premium experience for our flight department customers and cardholders traveling in the region."

With World Fuel Rewards, Gateway Aviation Windsor can now provide even more to their customers through a bank of World Fuel Rewards to award to customers for fuel, services or loyalty. Any flight department, pilot, scheduler, dispatcher or crew member can earn rewards on transactions at this location.
