

## CHILE

Last Updated: 01/04/2021

Subject: Latest Country Restrictions through UFN

OPEN WITH RESTRICTIONS

### **BUSINESS FLIGHT RESTRICTIONS**

- Only SCEL is authorized for foreigners arrival in Chile and consider this information:
- Foreigners who are not regularly resident in the country, may only enter the national territory, if they have a NEGATIVE PCR test for SARS-CoV-2 (FAST TEST IS NOT VALID), they must also have valid travel medical insurance, which covers those expenses that could cause emergency medical assistance or care emergency hospital during their entire stay in the country, their repatriation for medical reasons or for death, including coverage of any expenses originated by Covid-19..
- The minimum amount of coverage for health benefits must be USD \$ 30,000 dollars of the United States of North America. It will be the responsibility of the traveler, to extend the validity of the insurance in case of extending their travel over the declared time at the time of entry into the country.

### **RESTRICTIONS FOR TECHNICAL REFUELING/CREW REST**

- No restrictions for refueling at SCEL/Santiago del Chile (only Intl Airport at the moment).
- Crew may stay overnight.

### **QUARANTINE REQUIREMENTS**

- In the case of non-resident foreigners on a regular basis who come from countries that World Health Organization has defined that there is community transmission, they must comply with the quarantine measure for 14 days, and it can only be interrupted to leave the national territory

### **DATE THE RESTRICTION IS CURRENTLY EXPECTED TO END OR BE RE-EVALUATED**

- No information about the expected ending, the situation is being evaluated weekly.

## **ADDITIONAL INFORMATION**

- Any person entering from abroad, regardless of nationality, place of origin or place of destination in Chile, must be in quarantine for 10 days. regardless if they have a negative PCR.
- There are 2 option to leave this Quarantine :
  - 1.- Leave the country if the departure flight is less than 10 days from arrival.
  - 2.- Take a PCR test here in Chile, not before 6 days after the arrival and result negative.
- You must complete in advance, the form of the Affidavit of the Traveler (available at [www.c19.cl](http://www.c19.cl))
- FLIGHTS FROM THE UNITED KINGDOM ARE PROHIBITED TO LAND ON THE COUNTRY SINCE DECEMBER 22 AND THE ENTRY OF FOREIGNERS NON-RESIDENTS IN CHILE WHO HAVE BEEN IN THE LAST 14 DAYS IN BRITISH TERRITORY IS PROHIBITED ALSO.
- CHILEAN OR FOREIGN RESIDENTS WHO HAVE BEEN IN THE UNITED KINGDOM IN THE LAST 14 DAYS WILL BE IN A MANDATORY QUARANTINE IN CHILE WHEN ARRIVING.
- IN THE EVENT THAT THESE REQUIREMENTS ARE NOT COMPLIED AND THE PASSENGER (S) CANNOT ENTER THE COUNTRY, THE OPERATOR IS RESPONSIBLE FOR RETURNING THE PASSENGER TO THEIR PLACE OF ORIGIN AND COVERING ALL RELATED EXPENSES.
- THE OPERATOR IS THE RESPONSIBLE IN CASE OF NOT FULFILLING THE SPECIFIC REQUIREMENTS FOR THE PASSENGERS NOT ENTERING CHILE AND RETURNING TO PLACE OF ORIGIN IMMEDIATELY.
- Any person who enters from abroad, regardless of their nationality, place of origin or destination region in Chile, may be randomly selected by the Authorities at the time of arrival to take a exam for SARS-CoV-2 determined by the Health Authority. If a Chilean or Regular foreign resident does not agree to take the exam referred to in this paragraph, He or She must remain in quarantine for 10 days after entering the country even if a negative-result PCR test for SARS-CoV-2 is presented at arrival. In case of foreing non-resident passenger refuses to take the indicated exam, the Sanitary Codex and in force sanitary regulations will apply for committing an infringement or in a worst case scenario, a felony, with jail or monetary penalties.
