**AIC**

A04/21

05 February 2021

**ADMINISTRATIVE  
(White)**

**AMENDED INSTRUCTIONS ISSUED BY GOVERNMENT  
REGARDING JAMAICA TRAVEL ENTRY PROTOCOLS: COVID-19**

1. This AIC is issued based on/further to the Disaster Risk Management (Enforcement Measures) (No. 2) Order, 2021, which took effect February 1, 2021
2. The measures set out in the Disaster Risk Management (Enforcement Measures) (No. 2) Order are directed to be enforced in accordance with sections 26(5) to (7) and 52 of the Disaster Risk Management Act, for removing or otherwise guarding against or mitigating the threat, or effects, of the SARS-CoV-2 (Coronavirus COVID-19) and the possible consequences thereof.

**3. Requirements for Entry to Jamaica**

(1) A person who, during the period February 1, 2021 to April 15, 2021, seeks to enter Jamaica, shall:

- (a) if the person is ordinarily resident in Jamaica, complete, through the website <https://jamcovid19.moh.gov.jm/>, the relevant application for entry; or
- (b) if the person is not ordinarily resident in Jamaica,
  - (i) complete, through the website <https://www.visitjamaica.com>, the relevant application for entry; and
  - (ii) comply with all applicable provisions of the Immigration Restriction (Commonwealth Citizens) Act and the Aliens Act.
- (c) In paragraphs 3., 4., 5., 6. and 7., “ordinarily resident in Jamaica” means resident in Jamaica for a continuous period of not less than six months in a calendar year.

(2) A Medical Officer (Health), Medical Officer or public health officer shall, in respect of a person who applies under sub-paragraph (1) to enter Jamaica, conduct a health and risk assessment including:

(a) a temperature check;

(b) observation for symptoms of the SARS–CoV-2 (Coronavirus COVID-19);

(c) taking into account whether the occupation of the person creates a heightened risk of exposure to the SARS–CoV-2 (Coronavirus COVID-19); and

(d) taking into account the countries visited by the person during the period of six weeks immediately before the date of the application and any other relevant health factors,

and determine whether or not the person poses a high risk for the transmission of the SARS–CoV-2 (Coronavirus COVID-19).

(3) During the period from February 1, 2021 to April 15, 2021, each person who enters Jamaica shall be given information about the protocols that the person shall follow in order to minimize the risk of transmission of the SARS– CoV-2 (Coronavirus COVID-19).

(4) Notwithstanding anything in paragraphs 4 to 7, a person permitted to enter Jamaica under any of those paragraphs shall be permitted to leave Jamaica during the period from February 1, 2021, to April 15, 2021.

(5) The provisions of sub-paragraph (2) and paragraphs 4, 5, 6 and 7 shall not apply to airline crew, but a member of airline crew, who is landed in Jamaica, shall for the duration of that member’s stay in Jamaica, remain at an abode or place of residence (including the yard).

#### **4. Procedure For Entry Of Person Ordinarily Resident in Jamaica**

(1) A person seeking to enter Jamaica at any time during the period from February 1, 2021, to April 15, 2021, who is ordinarily resident in Jamaica shall, on being permitted to enter Jamaica, be required to remain in quarantine, in isolation from other persons, in accordance with:

(a) a home quarantine order; or

(b) a Government facility quarantine order,

issued to the person by a Medical Officer (Health).

(2) A home quarantine order under this paragraph shall be in the following form:

“ THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES)  
(No. 2) ORDER, 2021, PARAGRAPHS 4 AND 7

**HOME QUARANTINE ORDER**

A RISK-BASED PROTOCOL HAS BEEN INTRODUCED REGARDING TESTING AND RESTRICTION ON MOVEMENTS FOR PREVENTION AND CONTROL OF COVID-19.

All persons arriving in Jamaica are required to undergo a health screening and risk assessment.

**CONTROL MEASURES FOR PERSONS WITH POSSIBLE EXPOSURE TO SARS-CoV-2**

You have, or might have, been exposed to the SARS-CoV-2, virus that causes COVID-19, through travel or contact. Infection by the SARS-CoV-2 virus is an acute respiratory infection that may present with mild, moderate, or severe illness and may be fatal. The symptoms of acute respiratory infection include fever, cough, sore throat and difficulty breathing, and in some cases, diarrhoea, vomiting, abdominal pain, chest pain. Symptoms may appear anywhere from two (2) to fourteen (14) days after exposure to the SARS-CoV-2. People may be able to transmit infection beginning one day before they develop symptoms to up to 7 days after they get sick. The SARS-CoV-2, virus is transmitted by spread most often by respiratory droplets from an infected person. If SARS-CoV-2, virus spreads in the community, it would have severe public health consequences.

In accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) (No. 2) ORDER, 2021, the Medical Officer (Health), Medical Officer or public health officer has determined that:

As a result of your possible exposure to the SARS-CoV2, virus in accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) (No. 2) ORDER, 2021, the following public health control measures detailed below are being implemented. These measures include contact with the \_\_\_\_\_ Health Department at least twice daily to monitor signs and symptoms of COVID-19, for fourteen (14) days, following the date of arrival into the country. Based on assessment, you may be required to do a COVID-19 test.

All persons who test positive OR become symptomatic are placed in isolation.

The staff of this Health Department remains available to provide assistance and counselling to you concerning your possible exposure to SARS-CoV2 and compliance with these control measures. Please refer to Health Alert Card (<https://jamcovid19.moh.gov.jm/HAC>) for accessing the public health system.

- (3) A person to whom any of the requirements of this paragraph applies:
- (a) shall comply with all applicable directions given, and requirements imposed, by an authorized officer;
  - (b) shall not attend for work at the person's place of employment (but may work from home), during the period that the person is required under this paragraph to remain at the person's abode or place of residence or in quarantine, and the period during which the person does not attend for work, pursuant to this sub-paragraph, shall not be counted against the leave entitlements of the person if the person and the person's employer agree that the period should not be so counted; and
  - (c) shall comply with the provisions of paragraph 9, and with all applicable directions given, and requirements imposed, in respect thereof by an authorized officer.

**5. Procedure Following Risk Assessment Of Person Who Is Not Ordinarily Resident In Jamaica, Visiting As a Tourist In The Resilient Corridor**

- (1) This paragraph applies in respect of a person:
- (a) who is not ordinarily resident in Jamaica;
  - (b) who seeks to enter Jamaica as a tourist; and
  - (c) whose intended abode or place of residence in Jamaica is at a place within the area of the Resilient Corridor described in paragraphs 10 and 11.

- (2) Where the person seeks to enter Jamaica at any time during the period from February 1, 2021, to April 15, 2021, the person shall, prior to boarding the vessel destined for Jamaica, provide at the port of departure such COVID-19 test, in respect of that person, as may be specified by the Ministry with responsibility for health and wellness. The accepted COVID-19 tests are:
- a) Approved RT-PCR Test;
  - b) Approved Rapid Antigen Test
    - i. SD Biosensor Q Test
    - ii. SD Biosensor F200 Test
- (3) Subject to sub-paragraph (6), a person to whom this paragraph applies and who is permitted to enter Jamaica shall:
- (a) in accordance with a stay in the Resilience Corridor order issued to that person, remain at that person's abode or place of residence within the area of the Resilient Corridor described in paragraphs 10 and 11; and
  - (b) shall not be required to be tested for the SARS – CoV-2 (Coronavirus COVID-19) for the duration of person's stay in Jamaica pursuant to such permission, unless:
    - (i) the assessment conducted under paragraph 3 determines that the person poses a high risk of transmission of the SARS – CoV-2 (Coronavirus COVID-19); or
    - (ii) the person displays symptoms of the SARS – CoV-2 (Coronavirus COVID-19).
- (4) A person to whom any of the requirements of this paragraph applies shall:
- (a) comply with all applicable directions given, and requirements imposed, by an authorized officer;
  - (b) comply with the provision of paragraph 9; and
  - (c) shall only travel on transportation licensed under the Tourist Board Act.

(5) A stay in the Resilient Corridor order under this paragraph shall be in the following form:

“ THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES)  
(No. 2) ORDER, 2021, PARAGRAPH 5

**STAY IN RESILIENT CORRIDOR**

A RISK-BASED PROTOCOL HAS BEEN INTRODUCED REGARDING TESTING AND RESTRICTION ON MOVEMENTS FOR PREVENTION AND CONTROL OF COVID-19.

All persons arriving in Jamaica are required to undergo a health screening and risk assessment.

**CONTROL MEASURES FOR PERSONS WITH POSSIBLE EXPOSURE TO SARS-CoV-2**

You have, or might have, been exposed to the SARS-CoV-2, virus that causes COVID-19, through travel or contact. Infection by the SARS-CoV-2 virus is an acute respiratory infection that may present with mild, moderate, or severe illness and may be fatal. The symptoms of acute respiratory infection include fever, cough, sore throat and difficulty breathing, and in some cases, diarrhoea, vomiting, abdominal pain, chest pain. If SARS- CoV-2 spreads in the community, it would have severe public health consequences.

In accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) (No. 2) ORDER, 2021, the Medical Officer (Health), Medical Officer or public health officer has determined that:

As a result of your possible exposure to the SARS-CoV-2 (Coronavirus COVID-19) and the Medical Officer (Health), Medical Officer or public health officer has determined that you are required to remain in the hotel property (or properties) stated below, for the duration of your stay, except as provided under paragraph 5(6), leave that abode or place of residence to visit any place certified by the Tourism Product Development Company Limited to be COVID-19 Resilient and located within the area of any part of the Resilient Corridor or that is listed in the Appendix hereto. You are required to report symptoms to the health desk in your hotel or to the health department and based on assessment, you may be required to do a COVID-19 test.

Hotel(s): \_\_\_\_\_

Notwithstanding the requirements detailed above, the Medical Officer (Health) may impose new or different requirements if the Medical Officer (Health) is of the opinion that circumstances have changed to necessitate the imposition of new or different requirements.

**All persons who test positive OR become symptomatic are placed in isolation. If you fail to comply with these control measures, you commit an offence under section 52 of the Disaster Risk Management Act and shall be liable on summary conviction before a Judge of a Parish Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding twelve months.**

The staff of this Health Department remains available to provide assistance and counselling to you concerning your possible exposure to SARS-CoV2 and compliance with these control measures. Please refer to Health Alert Card (<https://jamcovid19.moh.gov.jm/HAC>) for accessing the public health system.

(6) Notwithstanding sub-paragraph (3), during the period from February 15, 2021 to April 15, 2021, a person –

(a) to whom this paragraph applies; and

(b) whose abode or place of residence is within the area of any part of the Resilient Corridor described in paragraphs 10 and 11,

may, subject to the requirements specified in sub-paragraph (7), leave that abode or place of residence to visit any place that is-

(i) certified by the Tourism Product Development Company to be a COVID-19 Resilient—

(A) tourist attraction, located within any part of the Resilient Corridor described in paragraphs 10 and 11;

or

(B) restaurant, duty-free shopping mall, or craft market, located within any part of the Resilient Corridor described in paragraphs 10 and 11

or

(ii) listed in the Appendix to Form C of the Disaster Risk Management Act.

(7) For the purposes of sub-paragraph (6), the requirements are that the person shall –

(a) travel to and from the attraction or other place referred to in sub-paragraph (6) on transportation licensed under the Tourist Board Act; and

(b) For the duration of the visit to the attraction or other place referred to in sub-paragraph (6) –

i. comply with all applicable provisions of paragraph 14(23) of the Disaster Risk Management Act; and

ii. remain with the family or group with which that person travelled to the attraction or other place referred to in sub-paragraph (6).

**6. Procedure Following Risk Assessment Of Person Who Is Not Ordinarily Resident In Jamaica, Visiting For Business Purposes.**

(1) A person who:

(a) is not ordinarily resident in Jamaica; and

(b) seeks at any time during the period from February 1, 2021, to April 15, 2021, to enter Jamaica for business purposes,

shall, prior to boarding the vessel destined for Jamaica, provide at the port of departure such COVID-19 test, in respect of that person, as may be specified by the Ministry with responsibility for health and wellness.

(2) A person to whom any of the requirements of this paragraph applies and who is required to remain in quarantine shall be issued a quarantine order in the following form and shall remain in quarantine in accordance with the order:

“THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES)  
(No. 2) ORDER, 2021, PARAGRAPH 6

**QUARANTINE ORDER FOR BUSINESS TRAVELLER**

A RISK-BASED PROTOCOL HAS BEEN INTRODUCED REGARDING TESTING AND RESTRICTION ON MOVEMENTS FOR PREVENTION AND CONTROL OF COVID-19.

All persons arriving in Jamaica are required to undergo a health screening and risk assessment.

**CONTROL MEASURES FOR PERSONS WITH POSSIBLE EXPOSURE TO SARS-CoV-2**

You have, or might have, been exposed to the SARS-CoV-2, virus that causes COVID-19, through travel or contact. Infection by the SARS-CoV-2 virus is an acute respiratory infection that may present with mild, moderate, or severe illness and may be fatal. The symptoms of acute respiratory infection include fever, cough, sore throat and difficulty breathing, and in some cases, diarrhoea, vomiting, abdominal pain, chest pain. If SARS-CoV-2 spreads in the community, it would have severe public health consequences.

In accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) (No. 2) ORDER, 2021, the Medical Officer (Health), Medical Officer or public health officer has determined that:

As a result of your possible exposure to the SARS-CoV-2 (Coronavirus COVID-19), and the Medical Officer (Health), Medical Officer or public health officer has determined that you require testing for COVID-19 and you are to be quarantined until released by the Parish Health Department. If you test negative the Parish Health Officer will advise you of your result and your release from quarantine. You are required to conduct your business as described in your travel application, adhering to provisions of the Disaster Risk Management (Enforcement Measures) (No. 2) Order, 2021, and the infection and control guidelines issued by the Ministry of Health & Wellness, including minimal interactions with the general public.

You are required to report symptoms to the health desk in your hotel or to the health department and based on assessment, you may be required to repeat the COVID-19 test. Notwithstanding the requirements detailed above, the Medical Officer (Health) may impose new or different requirements if the Medical Officer (Health) is of the opinion that circumstances have changed to necessitate the imposition of new or different requirements.

**7a. Procedure Following Risk Assessment Of Person Who Is Not Ordinarily Resident In Jamaica, Visiting Other Than As Tourist Staying In The Resilient Corridor And Other Than For Business Purposes.**

- (1) This paragraph applies in respect of a person who:
  - (a) is not ordinarily resident in Jamaica; and
  - (b) seeks to enter Jamaica other than:
    - (i) as a tourist whose intended abode or place of residence in Jamaica is within the area of the Resilient Corridor described in paragraphs 10 and 11; or
    - (ii) for business purposes.
- (2) Where the person seeks to enter Jamaica at any time during the period from February 1, 2021 to April 15, 2021, the person shall, prior to boarding the vessel destined for Jamaica, provide at the port of departure such COVID-19 test, in respect of that person, as may be specified by the Ministry with responsibility for health and wellness.
- (3) A person to whom this paragraph applies and who is permitted to enter Jamaica:
  - (a) shall not be required to be tested for the SARS – CoV-2 (Coronavirus COVID 19) for the duration of person’s stay in Jamaica pursuant to such permission, unless:
    - (i) the assessment conducted under paragraph 3 determines that the person poses a high risk of transmission of the SARS – CoV-2 (Coronavirus COVID-19); or
    - (ii) the person displays symptoms of the SARS – CoV-2 (Coronavirus COVID-19); and

- (b) on being permitted to enter Jamaica, shall be issued a quarantine order in the form set out at paragraph 4(2) herein, and shall be required to remain in quarantine at the person's intended abode or place of residence in Jamaica for a period of 14 days beginning from the date on which the person enters Jamaica.
- (4) A person to whom any of the requirements of this paragraph applies shall comply with-
  - (a) all applicable directions given, and requirements imposed, by an authorized officer; and
  - (b) the provisions of paragraph 9.

**7b. Special Provisions In Respect of Travel From The United Kingdom**

- (1) During the period from February 1, 2021, to February 28, 2021, a person, being a citizen of Jamaica, who seeks to enter Jamaica and who has been in the United Kingdom at any time during the period of two weeks prior to the date on which entry into Jamaica is sought shall –
  - (a) for a period of not less than forty-eight hours after entry into Jamaica, remain in quarantine at a facility designated by the Government;
  - (b) be tested for the SARS – CoV-2 (Coronavirus COVID-19); and
  - (c) comply with all applicable directions given, and requirements imposed, by an authorized officer, including the Government Facility Quarantine order in the following form:

THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) (No. 2) ORDER, 2021, PARAGRAPH 25

**GOVERNMENT FACILITY QUARANTINE ORDER**

A RISK-BASED PROTOCOL HAS BEEN INTRODUCED REGARDING TESTING AND RESTRICTION ON MOVEMENTS FOR PREVENTION AND CONTROL OF COVID-19.

All persons arriving in Jamaica are required to undergo a health screening and risk assessment.

## **CONTROL MEASURES FOR PERSONS WITH POSSIBLE EXPOSURE TO SARS-CoV-2**

You have, or might have, been exposed to the SARS – CoV2, virus that causes COVID-19, through travel or contact. Infection by the SARS – CoV2 virus is an acute respiratory infection that may present with mild, moderate, or severe illness and may be fatal. The symptoms of acute respiratory infection include fever, cough, sore throat and difficulty breathing, and in some cases, diarrhea, vomiting, abdominal pain, chest pain. Symptoms may appear anywhere from two (2) to fourteen (14) days after exposure to the SARS – CoV2. Persons may be able to transmit infection beginning one day before they develop symptoms to up to 7 days after they get sick. The SARS – CoV2, virus is transmitted by spread most often by respiratory droplets from an infected person. If SARS – CoV2, virus spreads in the community, it would have severe public health consequences.

In accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) (No. 2) ORDER, 2021, the Medical Officer (Health), Medical Officer or public health officer has determined that:

As a result of your possible exposure to the SARS – CoV2, virus in accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) (No. 2) ORDER, 2021, the following public health control measures detailed below are being implemented. These measures include being monitored by a public health officer in a designated Government facility at least twice daily to monitor for signs and symptoms of COVID-19 until released from the facility. You will be required to do a COVID-19 Test. All persons who test positive OR become symptomatic are placed in isolation.

## REQUIREMENTS

You must comply with these control measures while in the designated Government facility.

During the quarantine period, you are required to:

- Remain at (insert address) unless specifically authorized to leave by the Medical Officer (Health).
- Isolate yourself from others immediately if any symptoms develop and immediately advise the public health officer at the facility.
- Comply with the directions given or requirements imposed by the public health officer including the recording of your temperature and symptoms at least every 12 hours.
- Maintain a 6-feet (1m) distance from others.

Notwithstanding the requirements detailed above, the Medical Officer (Health) may impose new or different requirements if the Medical Officer (Health) is of the opinion that circumstances have changed to necessitate the imposition of new or different requirements.

**If you fail to comply with these control measures, you commit an offence under Section 52 of the Disaster Risk Management Act and shall be liable on summary conviction before a Judge of a Parish Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding twelve months.**

The staff of this Health Department remains available to provide assistance and counselling to you concerning your possible exposure to SARS – CoV2 and compliance with these control measures. Please refer to Health Alert Card (<https://jamcovid19.moh.gov.jm/HAC>) for accessing the public health system.

subject to the following conditions:

\_\_\_\_\_  
[state conditions, if any].

Dated this \_\_\_\_\_ day of \_\_\_\_\_, 20 \_\_\_\_.

\_\_\_\_\_  
Minister of National Security

(6) A person who enters Jamaica under sub-paragraph (5) shall —

- (a) remain in quarantine for a period of forty-eight hours after entry into Jamaica, at a facility designated by the Government;
- (b) be tested for the SARS – CoV2 (Coronavirus COVID-19); and
- (c) comply with all applicable directions given and requirements imposed by an authorized officer, including the Government Facility Quarantine Order in the form set out above at paragraph 7B(1)(C).

- (7) Where the test administered to a person under sub-paragraph (6)(b) is negative —
- (a) the person shall be allowed to leave the quarantine facility referred to in sub-paragraph (6)(a), but shall, in accordance with the Government Facility Quarantine Order in the form set out a b o v e at paragraph 7B(1)(C), remain in quarantine at an abode or place of residence for the remainder of the period of fourteen days commencing from the date of the person’s entry into Jamaica; and
  - (b) the provisions of paragraph 8 (electronic monitoring) shall apply to the person.
- (8) Where the test administered to a person under sub-paragraph (6)(b) is positive, the person shall remain in quarantine at the quarantine facility referred to in sub-paragraph (6)(a) until the person recovers from the SARS – CoV-2 (Coronavirus COVID-19).
- (9) During the period from February 1, 2021, to February 28, 2021, a person who is not a citizen of Jamaica, and who was in the United Kingdom within the period of fourteen days immediately before the date on which the person seeks to enter Jamaica, shall not be permitted to enter Jamaica.

## **8. Electronic Monitoring**

- (1) A person who is required to remain in quarantine under paragraphs 4, 5, 6 or 7 shall be monitored by an electronic device.
- (2) The use of an electronic monitoring device under sub-paragraph (1) shall be solely for the purpose of preventing the transmission of the SARS–CoV-2 (Coronavirus COVID-19) into the community, and, accordingly-
- (a) The electronic monitoring device shall be used only to monitor:
    - (i) Whether the person has left the designated quarantine area; and
    - (ii) The health status of the person;
  - (b) The electronic monitoring shall be terminated immediately on the expiration of the quarantine period; and
  - (c) All information obtained from the electronic monitoring shall be stored in a secure manner for the duration of the quarantine, and shall:
    - (i) be accessible only by the technical personnel responsible for implementing the monitoring, who may disclose it only to the following individuals:
      - (A) a member of the Jamaica Constabulary Force, not below the rank of Inspector, designated by the Commissioner of Police; and
      - (B) a Medical Officer (Health) and a Medical Officer; and
    - (ii) be deleted upon the expiration of the quarantine.

## 9. Directions To Persons With COVID-19 Illness Or Symptoms

- (1) A person in Jamaica who develops a respiratory illness or flu-like symptoms and who may have had contact with someone who:
  - (a) has travelled to a country affected by the SARS – CoV-2 (Coronavirus COVID-19); or
  - (b) is infected with the SARS – CoV-2 (Coronavirus COVID-19) or has been exposed to a person so infected,

shall forthwith inform the Ministry with responsibility for health and wellness (at 888-ONE-LOVE (888-663-5683), 888-754-7792, 876-542-5998, 876-542-6007, or 876-542-6006) and comply with all applicable directions given, and requirements imposed by, a Medical Officer (Health), a Medical Officer, a public health officer or a nurse registered under the Nurses and Midwives Act.

- (2) A person in Jamaica who tests positive for the SARS–CoV-2 (Coronavirus COVID-19) shall be quarantined at a facility designated by the Government, or such other place designated by a Medical Officer (Health).
