Jet Aviation - Bozeman and Jet Aviation - Scottsdale Become the 79th and 80th Air Elite Network Members

April 6, 2021– HOUSTON – Air Elite® by World Fuel (Air Elite) announces two additional Jet Aviation locations have joined the Air Elite Network. Air Elite chose Jet Aviation - Bozeman and Jet Aviation - Scottsdale for their uniquely beautiful facilities, diligence in offering elevated services and sustainability strides. Last summer, Jet Aviation renewed its fuel supply agreement for ten locations within the World Fuel Network. With 17 locations already a part of the Air Elite Network, the Bozeman and Scottsdale facilities deepen Air Elite’s relationship with the company.

Centrally located within Montana, Bozeman is the longest-standing FBO at Bozeman Yellowstone International Airport at Gallatin Field (KBZN). This facility is the closest full-service FBO to Yellowstone Park, Big Sky and Paradise Valley. With a conference room, flight planning room and pilot’s lounge, pilots are free to relax while capable staff attends to aircraft maintenance needs. A well-equipped kitchenette, free Wi-Fi and concierge services offer crews and passengers all the comforts and accommodations they require.

Located in the Sonoran Desert at Scottsdale Airport in Arizona, Scottsdale brings together outdoor adventure and the lush desert landscape. This location offers state-of-the-art facilities for crews and passengers, including a modern 30,000 sq. ft hangar with tenant office space, lounges, concierge service, and a full array of amenities and services to meet all the needs of passengers and crew.

John Langevin, vice president of FBO operations in North America, Jet Aviation, stated: “As a globally recognized leader in the industry, we are committed to meeting and exceeding our customers’ aviation requirements to the highest standards. Many of our global locations are already a part of the Air Elite Network, and our continued relationship demonstrates Jet Aviation’s collaboration with the most service-minded and dedicated FBOs in the industry.”

Steve Drzymalla, senior vice president for business aviation bulk fuel, World Fuel Services, stated: “Jet Aviation - Bozeman and Scottsdale join our network as facilities that exceed expectations and reflect the Air Elite values of elevated customer service and participation in industry best practices. We are honored to strengthen our relationship with 19 total Jet Aviation member locations in the Air Elite Network and look forward to continued shared growth.”
