Quarantine Measures Upon Arrival

- With effect from 02:00 of 2 August 2021, all arrivals who have been to Zhengzhou City of Henan Province and have left the city for less than 14 days must, at the discretion of the health authorities, undergo medical observation at designated venue until 14 days after their departure from the concerned city, but for a minimum period of 7 days. Meanwhile, persons who have entered Macao earlier with a travel history to Zhengzhou City of Henan Province will continue to be subject to the requirements prescribed in Announcement no. 116.
([Health Bureau Announcement no. 118/A/SS/2021](#))
- With effect from 00:00 of 31 July 2021, all persons who intend to travel on a civil aircraft from the Mainland to the Macao Special Administrative Region must hold a proof of negative COVID-19 nucleic acid test made within 48 hours that complies with the requirements of the health authorities, in order to board the aircraft. Upon arrival in Macao, non-Macao residents who fail to present the required proof may be denied entry.
([Health Bureau Announcement no. 111/A/SS/2021](#))

- Announcement no. 79/A/SS/2021 is amended by the Health Bureau as follows: With effect from 00:00 of 27 July 2021, for individuals who are required to undergo a 21-day medical observation at designated venue since they have been to the Taiwan region within the past 21 days prior to their entry into Macao, the additional 7-day self-health management will no longer be required after completion of the medical observation. This measure also applies to those who have completed medical observation for the abovementioned reason.
([Health Bureau Announcement no. 106/A/SS/2021](#))
- With effect from 21:00 of 23 July 2021, all inbound and outbound travellers who have been to Zhongshan City of Guangdong Province within 14 days after 19 July 2021 must hold a proof of negative COVID-19 nucleic acid test within 48 hours issued by a testing institution recognized by the health authorities. Non-Macao residents who fail to present this proof may be denied entry, whereas Macao residents without this proof may either return or undergo testing and wait in designated location until notification of the result.
([Health Bureau Announcement no.101/A/SS/2021](#))
- With effect from 00:00 of 10 July 2021, all individuals arriving in Macao from the Mainland China must hold a proof of negative COVID-19 nucleic acid test issued within 7 days by qualified institution. Non-Macao residents who fail to present such proof would be denied entry, whereas Macao residents will be required to undergo testing and wait in designated location until notification of the result.
([Health Bureau Announcement no. 96/A/SS/2021](#))
- With effect from 00:00 of 10 July 2021, residents of the Mainland China, the Hong Kong Special Administrative Region and the region of Taiwan who are not prohibited from entering the Macao SAR according to Chief Executive's Dispatch no. 241/2020, as well as non-Macao residents without a resident status in the Mainland China, the Hong Kong Special Administrative Region and the region of Taiwan who may enter into the MSAR in accordance with Chief Executive's Dispatch nos. 43/2021 and 71/2021 must, for entry into the MSAR, hold a proof of negative COVID-19 nucleic acid test that meets the requirements established by the health authorities.
The validity period of the proof of negative COVID-19 nucleic acid test referred to in the previous paragraph is determined by the health authorities depending on the risk of epidemics in different countries and regions.
For reasons of public interests, namely the prevention, control and treatment of disease, relief and emergency, and in exceptional cases of maintaining the normal functioning of the MSAR or the basic living needs of residents, the health authorities may exempt the persons referred to in paragraph one from compliance with relevant measures.
Meanwhile, Chief Executive's Dispatch no. 82/2021 is revoked.
([Chief Executive's Dispatch no. 99/2021](#))
- With effect from 00:00 of 21 June 2021, all passengers who intend to enter Macao from Taiwan region by air must hold a proof of negative COVID-19 nucleic acid test issued within 24 hours upon boarding.
([Health Bureau Announcement no. 84/A/SS/2021](#))

- With effect from 00:00 of 5 June 2021, all individuals who have been to Brazil, India, Nepal, Pakistan or Philippines within the past 28 days prior to their entry into Macao must, before boarding a non-stop flight or the first flight of an interline itinerary, present a proof of three negative COVID-19 nucleic acid tests within seven days (each at least 24 hours apart, with the last test performed no earlier than 72 hours before boarding), and a proof of negative IgM serum antibody test or a COVID-19 vaccination certificate. Relevant proofs must be issued by testing institutions recognized by the Chinese Embassies/Consulates.
([Health Bureau Announcement no. 72/A/SS/2021](#))
- With effect from 00:00 on 5 May 2021, non-Macao residents without a resident status in the Mainland China, the Hong Kong Special Administrative Region and the region of Taiwan may enter into Macao in case of family reunification or exceptional circumstances of close relationship with the MSAR provided that they have not visited any places outside the Mainland China or Macao in the past 21 days prior to intended arrival to Macao and are authorized by the health authorities in advance. For the abovementioned authorized persons, the special measures adopted under Chief Executive's Dispatch Nos. 72/2020 and 73/2020 are lifted; meanwhile, Chief Executive's Dispatch No. 242/2020 is revoked.
([Chief Executive's Dispatch no. 71/2021](#))
- Announcement No. 48/A/SS/2021 is amended as follow: With effect from 00:00 of 27 April 2021, for individuals who are required to undergo 14-day medical observation at designated venue since they have been to Hong Kong within the past 14 days prior to their entry into Macao, the additional 7-day self-health management will no longer be required after completion of said medical observation. This measure also applies to those who have entered the territory but whose medical observation has not been completed.
([Health Bureau Announcement no. 52/A/SS/2021](#))
- With effect from 00:00 on 16 March 2021, non-Macao residents without a resident status in the Mainland China, the Hong Kong Special Administrative Region and the region of Taiwan may enter into Macao if they fulfil both of the following requirements:
 1. Hold a visa to the Mainland China issued by the Office of the Commissioner of the Ministry of Foreign Affairs of the People's Republic of China in the Macao Special Administrative Region and return to Macao within the validity period of the visa after having travelled to the Mainland from Macao;
 2. Have not visited any places outside the Mainland China or Macao in the past 21 days prior to intended arrival to Macao.For the above individuals, the special measures adopted under Chief Executive's Dispatch Nos. 72/2020 and 73/2020 will be lifted.
([Chief Executive's Dispatch No.43/2021](#))
- With effect from 00:00 of 12 February 2021, individuals who are required, at the discretion of the health authorities, to undergo medical observation for 14 days or 21 days at designated venue should seek approval from the authorities of the place of destination if they are leaving Macao within the first 7 days of the self-health

management period.

[\(Health Bureau Announcement no. 38/A/SS/2021\)](#)

- With effect from 00:00 of 21 January 2021, inbound travellers who are required, at the discretion of the health authorities, to undergo medical observation for 14 days must additionally exercise self-health management for at least 14 days, whereas those who are required, at the discretion of the health authorities, to undergo medical observation for 21 days must additionally exercise self-health management for at least 7 days, and take a nucleic acid test no earlier than one day before the end of the period; the self-health management measures will only be terminated when the test result is negative. During the self-health management period, a yellow health code will be generated, for which all personal health measures must be strictly observed. During immigration clearance, a proof of negative nucleic acid test within 48 hours should be presented, and anti-epidemic requirements of the area of destination should also be observed.
[\(Health Bureau Announcement no. 23/A/SS/2021\)](#)
- With effect from 00:00 on 23 December 2020, all residents of the Mainland China, the Hong Kong Special Administrative Region and the region of Taiwan who have visited countries or regions outside China within 21 days prior to their entry are prohibited from entering the Macao SAR. For reasons of public interests, namely the prevention, control and treatment of disease, relief and emergency, and in exceptional cases of maintaining the normal functioning of the MSAR or the basic living needs of residents, the health authorities may exempt the persons referred to above from compliance with this measure. Meanwhile, item 1) in clause 1 and clause 2 of Chief Executive's Dispatch no. 80/2020 are revoked.
[\(Chief Executive's Dispatch no. 241/2020\)](#)
- Starting from 06:00 on 11th May 2020, all arrivals from the Mainland China are required to hold a certificate of negative result or a document of specimen collection for nucleic acid test issued within the past seven (7) days by a qualified institution recognized by the health authorities or the Mainland China; otherwise, they will be submitted to nucleic acid testing.
[\(Health Bureau Announcement no. 10/A/SS/2020\)](#)
- Starting from 00:00 on March 19, all holders of non-resident worker's identification card are banned from entering the Macao SAR, except holders of non-resident worker's identification card who have resident status in the Mainland China, the Hong Kong SAR and the region of Taiwan.

2. All outbound passengers travelling by ferry boat or airplane will need to present valid negative Covid-19 nucleic acid test results before leaving Macau, starting from July 14 (Tuesday), 6am, according to a statement from the Novel Corona Virus Response and Coordination Centre.

To be considered valid, the test result must have been issued in the previous seven-day period and has to be included in the certified Macau Health Code.

The Novel Corona Virus Response and Coordination Centre said in the statement issued on Sunday night that the move is aimed at ensuring the safety of both passengers and crew onboard the vessels.

3. Foreign Passport Holders who have visited Mainland China, Hong Kong, Taiwan and Foreign Countries still prohibited to enter Macau. These measures are in force starting from 00:00 on the 25th of March. There is no date for the lift of the ban.

All transfer / transit services from Macau International Airport are suspended.

4. In view of the severity of the international epidemic situation, in order to safeguard the health of air passengers and the aircrew including flight attendants, airlines are advised to adopt the following measures for passenger flights departing from areas with high incidence of COVID-19.

Notification before check-in:

Airlines should notify prospective passengers in advance of the immigration measures and restrictions currently in place in Macao.

All passengers seeking to travel to Macao should be reminded promptly that they are required to take a nucleic acid test for COVID-19 in advance at the local health authorities, and they must test negative in order to be allowed boarding.

Upon check-in:

Airlines should verify that every passenger **fulfils the conditions of entry formulated in response to the epidemic.**

Passengers intending to take the flight are required to present the COVID-19 nucleic acid test report issued by a local medical institution within 7 days, and are subject to temperature check; only passengers tested negative may proceed to departure. Individuals with fever or positive test result, as well as those who fail to present the required test report should be denied boarding.

5. Based on the needs of epidemic prevention in Macao and the needs of the Airport Immigration station to check all the inbound and outbound record of visitors. You are hereby notified to cooperate and arrange all the Crew members who pass through the Macau Business Aviation Center as well as the inbound passengers to go to the Airport Main Terminal South or North Immigration hall for clearing CIQ. The suspension date of the processing method will be determined according to the epidemic situation

- on the scene, the website of the laboratory/ hospital/ clinic is accessed showing relevant proof (not screen capture).

“Macao Health Code” must be presented:

1. Upon check-in with the ferry service provider at the terminal of departure;
2. Upon boarding a Macao-bound vessel;
3. During health quarantine upon arrival at a ferry terminal or other ports in Macao;
4. Upon admission to a hotel, casino, museum or other public places and government departments in Macao.

Requirements of health code for entry into Macao or premises:

- A dynamic “Macao Health Code” (with real-time counting) is required for check-in with a ferry service provider or entry into a casino or other key premises; for entry into other locations, a screenshot of Macao Health Code within the past 6 hours can be used.
- A directly generated “Macao Health Code” can be used when entering into Macao via a ferry terminal; however, a “Macao Health Code” converted from “Yuekang Code” should be used when entering into Macao via a Guangdong-Macao land boundary control point.
- When travelling to Guangdong province from Macao via a Guangdong-Macao border control point, a “Yuekang Code Clearance Certificate (Inbound)” converted from “Macao Health Code” must be used. For Mainland residents, “Yuekang Code” should be firstly generated, then convert the “Yuekang Code” to “Macao Health Code (converted)”, and finally apply for “Yuekang Code Clearance Certificate”.

III. Steps to generate a “Macao Health Code” directly

1. Scan QR code to enter the “Macao Health Code” page;
2. Click “Enter”;
3. After you have read and agreed to the terms, check “I have read and agree to the above terms” and click “Next”;
4. Fill in your personal information, answer whether you have any symptoms, whether you have been in contact with a COVID-19 confirmed case in the past 21 days, as well as travel history in the past 21 days, then click “Next”;
5. Verify your personal information, click “Next” if there is no modification;
6. Enter verification code as shown in the image, then click “Next”;
7. After submission, a “Macao Health Code” in either green, yellow or red will be generated. Only persons with green code are allowed for boarding vessels or aircrafts.
8. Companions can be added when necessary.
9. It is suggested to screen capture the “Macao Health Code” at the airport of departure in order to avoid failure in generating code upon arrival due to network problem. (screenshot made within the past 6 hours is accepted upon arrival in Macao)
10. It is suggested to bookmark or save the “Macao Health Code” website to your browser to facilitate the code generation in the future.

([第 99/2021 號行政長官批示](#))
- 自 2021 年 6 月 21 日零時起，由台灣地區出發乘搭航班來澳的入境人士，登機時均須持有 24 小時內作出報告的新型冠狀病毒核酸檢測陰性證明。
([第 84/A/SS/2021 號衛生局公告](#))
- 自 2021 年 6 月 5 日零時起，入境前 28 天內曾到過巴西、印度、尼泊爾、巴基斯坦或菲律賓的人士，須在前來澳門的直航班機或聯程航班第一程班機登機前出示新冠病毒 7 日內作出的三次核酸檢測陰性證明，以及一次血清 IgM 抗體檢測陰性證明或新冠病毒疫苗接種憑證。有關證明須為中國駐當地使領館認可的檢測機構所發出，且核酸檢測陰性證明須為每次採樣相隔至少 24 小時且最後一次為登機前 72 小時內作出。
([第 72/A/SS/2021 號衛生局公告](#))
- 自二零二一年五月五日零時起，不擁有中國內地、香港特別行政區和台灣地區居民身份的非本地居民，倘在入境前二十一天未曾到過內地或澳門特別行政區以外的地方，且屬家庭團聚或其他與澳門特別行政區有密切聯繫的例外情況，經衛生當局作出事先批准，方可入境。而對上述獲衛生當局批准的人士，解除第 72/2020 號行政長官批示及第 73/2020 號行政長官批示所採取的特別措施。此外，廢止第

242/2020 號行政長官批示。

([第 71/2021 號行政長官批示](#))

- 修改第 48/A/SS/2021 號公告，自 2021 年 4 月 27 日零時起，所有因在入境前 14 天曾到過香港而在指定地點接受 14 天醫學觀察的人士，完成後毋需再進行 7 天自我健康管理。此項措施亦適用於已入境但未完成醫學觀察的人士。

([第 52/A/SS/2021 號衛生局公告](#))

- 2021 年 3 月 16 日 0 時起，不擁有中國內地、香港特別行政區和台灣地區居民身份的非本地居民，同時符合以下條件者可入境：

(一) 持有中華人民共和國外交部駐澳門特別行政區特派員公署發出的赴內地簽證，由澳門特別行政區前往內地後在該簽證有效期內返回；

(二) 入境前二十一天未曾到過內地或澳門特別行政區以外的地方。

對上述人士解除第 72/2020 號行政長官批示及第 73/2020 號行政長官批示所採取的特別措施。

([第 43/2021 號行政長官批示](#))

- 2021 年 2 月 12 日 0 時起，須按照衛生當局的要求在指定地點接受 14 天或 21 天醫學觀察人士，若在自己健康管理首 7 天期間離境，須得到目的地當局的許可。

([第 38/A/SS/2021 號衛生局公告](#))

- 2021 年 1 月 21 日 0 時起入境者中，須按照衛生當局的要求在指定地點接受 14 天醫學觀察人士，仍須再接受最少 14 天自我健康管理；而須按照衛生當局的要求在指定地點接受 21 天醫學觀察人士，則須再接受最少 7 天自我健康管理，並須最早在上述期間結束前 1 天接受 1 次核酸檢測結果呈陰性才可結束自我健康管理措施。自我健康管理期間健康碼為黃色，須嚴格遵守各項個人衛生措施；如需出入境，須持有 48 小時內核酸陰性結果證明，及遵守目的地區域的防疫要求。

([第 23/A/SS/2021 號衛生局公告](#))

- 12 月 23 日 0 時起，所有在入境前 21 天內曾經到過中國以外國家或地區的中國內地、香港特別行政區和台灣地區居民，禁止進入澳門特別行政區。基於公共利益，尤其是防治疾病、緊急救援，以及維持澳門特別行政區正常運作或居民基本生活所需的例外情況，衛生當局可豁免上述所指人士遵守有關的措施。此外，廢止第 80/2020 號行政長官批示第一款 (一) 項及第二款。

([第 241/2020 號行政長官批示](#))

- 5 月 11 日上午 6 時起，所有由內地入境澳門的人士均須持有由衛生當局或內地認可的合資格機構發出的七天內核酸測試陰性結果證明或採樣證明，否則須接受核酸測試。

([第 10/A/SS/2020 號衛生局公告](#))

- 3 月 19 日 0 時起，禁止所有外地僱員身份識別證持有者進入澳門，但擁有中國內地、香港和台灣地區居民身份的外地僱員身份識別證持有者除外。

([第 73/2020 號行政長官批示](#))

- 3月18日0時起，禁止除中國內地、香港特別行政區和台灣地區居民及外地僱員身份認別證持有者以外的所有非本地居民進入澳門特別行政區。
([第 72/2020 號行政長官批示](#))
- 2. 新型冠狀病毒感染應變協調中心今(12)日宣佈，為保障客船和飛機上的工作人員和乘客安全，由7月14日(週二)上午6時起，**所有由澳門出發客船和飛機的乘客必須出示7日內的新冠狀病毒核酸檢測陰性證明，證明可透過澳門健康碼為之。**
- 3. 從3月25日起批示同時還命令**停止澳門國際機場的旅客中轉及經停服務**。曾訪問過中國大陸中風險地區以及香港，台灣的外國護照持有人仍然禁止進入澳門。
- 4. 鑑於國際流行病的嚴重性，為了保護航空旅客和機組人員(包括乘務員)的健康，建議航空公司對離開COVID-19高發地區的旅客採取以下措施。

登機前通知:

航空公司預先提早通知擬登機人士有關本澳入境/出境措施及入境/出境限制。

航空公司應即通知所有要求乘機來澳門的乘客必須先提前到當地政府的衛生部門進行有關新型冠狀病毒肺炎的核酸檢測,結果呈陰性者才能登機。

辦理登機手續時:

航空公司實核每位乘客必須符合因應疫情而訂定的入境條件。

航空公司要求擬登機的乘客出示當地醫療機構7天發出的新型冠狀病毒肺炎的核酸檢測報告,並檢擬登機者的體溫檢測結果為陰性者才能登機;發熱或結果陽性者或未能出示者不能登機。

- 5. 基於本澳防疫需要，機場出入境事務站需要排查所有入境旅客的出入境資料，特此通知 貴公司配合，安排所有經商務航空中心出或入境的機組人員以及所有入境旅客，前往客運大樓南面或北面入境大堂辦理出入境手續。有關處理方式的中止日期，將因應疫情情況再作決定。

一、 乘坐前來澳門的飛機來澳人士須持有：

- 持有綠色【澳門健康碼】
- 持有7日內進行的新冠病毒陰性檢測證明

二、 注意事項：

須出示7日內進行的新冠病毒陰性檢測證明的場合

1. 登上前來澳門的船隻或飛機；或
2. 在澳門入境時。

澳門特區政府衛生局接受的新冠病毒陰性檢測證明類型

1. 和身份證件上姓名相同的即時（非截圖）澳門健康碼、粵康碼或其他當地政府認可的健康碼顯示者；
2. 和身份證件上姓名相同的中國內地當地政府認可的醫療衛生機構出具的紙質報告；
3. 澳門衛生當局公佈的具資格提供新冠病毒核酸檢測的機構出具的紙質報告。

澳門特區政府衛生局接受的新冠病毒陰性檢測紙質報告要求

1. 正本報告；或
2. 影印本/列印本/傳真本的報告，須具備下列條件：
 - 加蓋醫療機構的正本蓋章；或
 - 現場開啟電子設備內電郵(非截圖)的附件，須證明發出者為化驗所或醫院/診所；或
 - 現場開啟化驗所/醫院/診所之網站且即時（非截圖）顯示相關證明。

須出示【澳門健康碼】的場合

1. 在出發地機場航空公司櫃台報到時；
2. 登上前往澳門的飛機時；
3. 到達澳門國際機場及其他口岸接受衛生檢疫時；
4. 在澳門社區活動進入酒店、娛樂場、博物館等公共場所及政府部門等機構時。

<p>預防新型冠狀病毒肺炎 - 由內地經澳門機場訪澳人士防疫要求和注意事項</p>		

出入境和進入場所時的健康碼的要求

1. 航空公司櫃台報到時及進入娛樂場等重點場所必須使用動態【澳門健康碼】(即時間跳動者)，其他地點可使用 6 小時內產生的截圖。
2. 經澳門國際機場進入澳門時可使用直接生成【澳門健康碼】，但經粵澳口岸進入澳門時必須使用經【粵康碼】轉碼生成的【澳門健康碼】。
3. 由澳門經粵澳口岸進入廣東省時，必須使用由【澳門健康碼】轉碼生成的【粵康碼通關憑證(入境)】，內地居民必須先申領【粵康碼】，再由【粵康碼】申領【澳門健康碼(粵轉)】，才可申領【粵康碼通關憑證】。

三、 直接申領【澳門健康碼】操作流程：

1. 透過【澳門健康碼】二維碼進入申領版面；
2. 按【進入聲明】按鈕；
3. 閱讀並同意條款後勾選“已閱讀並同意條款”選項後，按【下一步】按鈕；
4. 填報個人資料、是否出現的症狀、過去 21 天有否曾接觸新冠肺炎確診病人和過去 21 天的旅遊和居住史，按【下一步】按鈕；
5. 核對個人資料，【如無需修改，按下一步】按鈕；
6. 輸入同畫面圖像的驗證碼後，再按【下一步】按鈕；
7. 提交後生成綠、黃、紅三種顏色的【澳門健康碼】。只有綠碼才可登船/登機。
8. 需要時可添加同行者。
9. 建議在出發地機場將【澳門健康碼】截圖，以免到達機場時因無網路而無法生成。(在澳門入境時可接受 6 小時內生成的截圖)
10. 建議以瀏覽器書籤或收藏功能記下【澳門健康碼】的網址，以便在需要時可快速生成。
