## **World Fuel Services Now Supplying Fuel at Chartright Air Group's Facility in Canada**

**November 16, 2021 – HOUSTON** – World Fuel Services (World Fuel) announces that Chartright Air Group (Chartright) has selected World Fuel as their fuel supplier at the Region of Waterloo International Airport (CYKF) in Breslau, Ontario, Canada.

As a member of the World Fuel Network, flight operators visiting Chartright Air Group will now benefit from industry-leading products and programs, including World Fuel Contract pricing, AVCARD® by World Fuel acceptance and World Fuel Rewards. This location also processes payments via avPOS and will leverage World Fuel's refueling assets to drive an enhanced user experience for its customers.

"We welcome Chartright Air Group to the World Fuel Network as a strategic location for customers in Canada," said Steve Drzymalla, senior vice president, business aviation bulk fuel sales, World Fuel Services. "Chartright's commitment to safety and service coupled with World Fuel's capabilities will provide customers with a premium experience."

Chartright Air Group recently broke ground on a new 50,000 sq. ft. facility, which will upgrade and double the footprint of their existing facility at the Region of Waterloo International Airport (CYKF). Chartright's expanded facility will offer a modern passenger lounge, additional parking, aircraft charter, sales, aircraft maintenance, expanded Jet-A fuel capacity and a fully equipped hangar. This location's existing 50,000 sq. ft. heated hanger is suitable for private and commercial aircraft from a small business jet to a Boeing 757 and provides in-house aircraft maintenance with grooming, deicing, refueling and aircraft charter services.
