

GUIDELINE FOR EXITING BRUNEI DARUSSALAM VIA AIR TRAVEL DURING EARLY ENDEMIC PHASE

(Updated as of 30 March 2022)

1. This document outlines **updated requirements on outbound travel which take effect on 1 April 2022.**
2. **Travellers who intend to exit Brunei Darussalam to any destination** do not require Exit Approval from Prime Minister's Office (PMO).
3. Outbound travel is only permitted for travellers (Appendix I) who have received:
 - (i). **2 doses of COVID-19 vaccine with the second dose administered not more than 3 months previously, OR**
 - (ii). **Booster dose for COVID-19 vaccine**
4. However, **unvaccinated travellers** may exit Brunei Darussalam if they have certificate of medical exemption for COVID-19 vaccination*.
5. Foreign nationals who are currently residing in Brunei Darussalam under employment pass, visit pass (social, professional and business), student pass, dependent pass and intend to exit the country temporarily and re-enter Brunei Darussalam, therefore they are required to secure **Re-Entry Visa** before intended travel date.

**Exemptions may be obtained from medical health centers on the basis of medical contraindications, or other reasons such as having recovered from COVID-19 90 days prior.*

EXIT REQUIREMENTS

1. Before exiting Brunei Darussalam, **Brunei Citizens and Permanent Residents** are required to:
 - a. Complete registration through the **e-Register system at Ministry of Foreign Affairs (MFA) website**: <http://www.mfa.gov.bn/Pages/eRegister.aspx>
 - b. Obtain **Travel Medical Insurance with COVID-19 coverage (minimum coverage of BND\$50,000)** either from Brunei-based or overseas insurer if travelling for short visit purpose. The insurance must be valid for the duration of their stay in the foreign country.

Note:

The following travellers are exempted from being required to obtain Travel Medical Insurance with COVID-19 coverage:

- (i). Brunei Citizens and Permanent Residents who are travelling overseas for employment, studies or as eligible dependant; and
- (ii). Permanent Residents who are traveling to their country of nationality.

However, Brunei Citizens and Permanent Residents who are travelling overseas for employment, studying or as eligible dependent must adhere to all requirements in accordance with visa/immigration pass requirements.

2. **Students (Brunei Citizens and Permanent Residents) who will begin their studies overseas or will be returning to the country of studies** must complete online registration forms via the following links before exiting Brunei Darussalam:
 - a. Registration Form for returning to country of studies: bit.ly/pendaftarankeluarnegeri
 - b. Registration Form for Private Student: bit.ly/pendaftaranprivatetestudent
3. Upon check-in at the airport / arrival at the airport, the traveller will be required to present to the airlines / immigration:
 - **Vaccination Record** indicating full vaccination for COVID-19 with the second dose administered within 3 months prior to departure OR have received a booster dose, OR **Certificate of medical exemption for COVID-19 vaccination (for travellers who are unvaccinated due to medical reasons)**.
 - **Valid Traveller's Passport.**
 - **e-Register registration.**
 - **Certificate of Travel Medical Insurance with COVID-19 Coverage (minimum coverage of BND\$50,000), unless exempted as per paragraph 1.**
 - **Other travel documents** required by the destination country.
4. It is the **travellers' responsibility to fulfil any other requirements as required by the destination country.**
5. Travellers will need to comply with **all inbound requirements upon their return to Brunei Darussalam.**

APPENDIX I – FULLY VACCINATED INDIVIDUALS

- Individuals who have received a COVID-19 vaccine that has been granted WHO Emergency Use Listing.
- Individual has a certificate of proof of vaccination issued by a recognized health jurisdiction (preferably digital vaccination record) or the WHO International Certificate of Vaccination (yellow book). Individuals vaccinated in Brunei Darussalam must show proof of vaccination on the BruHealth App.
- The individual has completed the full course of vaccination (1 dose for Johnson & Johnson vaccine, 2 doses for all other vaccines) within 3 months prior to intended date of departure; or have received the booster dose.
- Individuals below 18 years travelling with a group of all vaccinated adults will follow Vaccinated Traveller protocols.

*Unvaccinated individuals refer to individuals who do not fulfil requirements outlined in APPENDIX I.
