HANDLER BULLETINS

Bulletin Type	Start	End	
Communication	Jul 8 2013 12:00 UTC		All correspondence and assistance is arranged with Gestair Operations & Control Center (O.C.C.), however there is a local office on site.
Handler Information	May 11 2016 12:00 UTC		Operating hours are 7 days a week from 0430-2230 in the Summer; 7 days a week from 0530-2330 in the Winter. Passenger meeting point is located at the Bloque Tecnico building, being the only handler located in the building. Staff will be waiting for passengers and they will be on airside after 15m walking distance. Airside security checkpoint is on the way. Vehicle ramp access is not possible as private vehicles are not allowed into the airside. Only in some special cases, prior to airport management approval.
